HAAG-STREIT UK

2021-2022 Price List

Issue 11 | April 2021

COMPLETE PORTFOLIO OF ORTHOPTIC, OPTOMETRY & OPHTHALMIC EQUIPMENT

Haag-Streit UK designs, manufactures and sells a complete line of orthoptic, optometry and ophthalmic equipment and has distributorships for some leading brands, such as; Haag-Streit Diagnostics, Clement Clarke Ophthalmic, Haag-Streit Simulation, Meridian and Optovue.

Haag-Streit UK promotes the prevention, early detection, careful monitoring and effective treatment of a variety of eye conditions, including; retinal disease, glaucoma,

corneal disorders, ocular motility and visual defects. The organisation is dedicated to providing tailored solutions through the integration of information technology, leading brand ophthalmic instruments and unparalleled customer care. It focuses on the individual requirements of both the professional and the patient.

The company boasts a UK-wide network of Area Sales Managers and Service Engineers, who are supported by Product Managers and an

internal Customer Service Team. Together they ensure that all Haag-Streit UK products are backed by the highest level of service and support.

This price list contains all of Haag-Streit UK's key products for 2021-2022. Please find enclosed information and pricing for our best-selling range, including everything from a small budgie stick, to the World-leading Tonosafe disposable prisms, to gold-standard Haag-Streit slit lamps.

For additional information about Haag-Streit UK and its product portfolio, please telephone (01279) 456261 or email info@haag-streit-uk.com. Alternatively, please visit the website at <http://www.haagstreituk.com>.
